

PRESS RELEASE

OnTime Business Setup and OnTime Registration Trustee to Showcase Integrated Investor Services at IPS 2026

Dubai-based companies will present a connected pathway for business establishment, property transactions and investor support in the UAE.

DUBAI, UAE — OnTime Business Setup and OnTime Registration Trustee will participate in the International Property Show (IPS) 2026, bringing together complementary services designed to support property investors, entrepreneurs and companies establishing or expanding their presence in Dubai.

At IPS 2026, visitors will be able to explore a coordinated service journey that connects business setup with property registration and related government services. The participating companies aim to simplify important investor processes through professional guidance, practical support and access to multiple services through one trusted group.

OnTime Business Setup supports entrepreneurs and investors with company formation, licensing, investor visas, corporate and personal bank account opening assistance, Ejari services and other business support solutions.

OnTime Registration Trustee provides Dubai Land Department-related services for property buyers, sellers, investors and real estate companies. Its services include property registration, sale and purchase transactions, gifts and grants, mortgage registration, property valuation support and other property transaction services.

Together, the two companies will demonstrate how investors can move more smoothly between property ownership, company formation and ongoing government requirements—especially international investors seeking reliable local support when entering Dubai’s markets.

BUSINESS SETUP	PROPERTY SERVICES	ONE INVESTOR JOURNEY
Formation, licensing and investor support	Registration and DLD-related transactions	Coordinated support through a trusted group

The participation reflects OnTime Group’s commitment to making essential business and property services more accessible, connected and customer-focused. IPS 2026 will provide an opportunity for the companies to engage with investors, developers, brokers, entrepreneurs and strategic partners from the UAE and international markets.

Visitors are invited to meet the teams during IPS 2026 to discuss their investment plans and learn how OnTime Business Setup and OnTime Registration Trustee can support their next step in Dubai.
